10. Did you enjoy yourself at the magic show?
11. There's an exciting scary movie on TV tonight. Are you interested in watching it with us?
12. Would you like another cup of tea?
13. Don't be afraid of Lala, my pet. I think it likes you. Don't you think so?

三、言談理解：根據聽到的內容，選出一個最適合的答案。

14. W: How long has Ms. Lin been a science teacher?

M: Let me see. She's 48 years old now, and she started to teach science when she was 25. She's taught science for 23 years.

W: I see.

Q: How old was Ms. Lin when she began to teach science?

15. W: You are sad, aren't you?

M: Yes. My cat died last night.

W: Oh, I feel sorry to hear that.

Q: Which is true?

16. M: Hey, Kate. You're good at math, aren't you?

W: Well, math is not difficult to me. Why do you ask?

M: Do you know the answer to the math question?

W: Let me see. Oh, it's a piece of cake. The answer is two feet.

Q: Which is true?

17. W: The house is too small for us, isn't it?

M: Yes, there are five people in our family.

W: Don't forget that we have two dogs and three cats.

M: Yeah, we really need larger space.

Q: What are they talking about?

18. W: Peter, I believe that you can pass the driving test this time.

M: Really? I don't think so. I failed the driving test many times.

I've spent a lot of time practicing the U-turn, but I can't do it well.

W: Don't worry. You will be able to make it this time!

Q: Which is true?

19. B: Mom, the TV news says Jeremy Lin is six feet two inches tall, doesn't it?

I have only two feet, but why does he have six feet?

Is it because he is a famous basketball player?

W: Frank, this "feet" is different from that "feet". The first one is a kind of measurement.

It's like "yard". One yard is three feet.

B: What? There are three feet in our yard! I only see flowers, not feet. It sounds terrible!

Q: What is Frank's problem?
