Kids Cook!

Fun Cooking Classes for Kids Aged 6-12 years old

With us, kids learn to how to make good and safe food. They get to know foods in a fun way. We think “learning by doing.” So kids don't just listen and watch. They really do something in class. After the classes, they can read recipes, prepare ingredients, and cook by themselves.

With us, kids also learn where food comes from. We take them to the farm to see how to grow rice, vegetable, and fruit, and how to raise chickens, pigs, and cows. And they will go to a fish market to see different fish.

We have a party every four weeks. It's a fun time for kids to show their dishes. We have three classes for different age groups: Red (6-7), Yellow (8-9), and Blue (10-12), each with different recipes. To know more about any of them, please click on
