三、言談理解:根據聽到的對話或短文內容，回答問題,選出一個最符合的敘述: (每題兩分)

11.	M: W: Question:	How tall are the three boys? Andy is 156 cm. Jack is 165 cm, and Tom is 176cm. Who is the shortest of the three boys?
12.	W: M: W: Question:	The shopping center opened here two months ago. Our town is not as quiet as before. Hundreds of people and cars come in every day. The traffic gets worse. You can say that again. But it's easier for us to buy things. I know. The shopping center is very convenient. But my kids often ask me to take them there to buy things or have some food. What does the woman think about the shopping center?
13.	M: W: M: W: M: Question:	You didn't talk to us for the whole day. You look unhappy. What's up? I didn't do well on my math exam. I spent lots of time preparing for it, but I got only 55. Cheer up! I think I can help you with math. Thanks a lot. Would you teach me to correct the answer sheet? Sure. Let's start right now. Why is the girl so sad?

14.	M: Good evening, everyone. Welcome to John's Kitchen. Joining us today is Anna Smith. W: Hello, John. Glad to be here. I'm going to show you Italian chicken today. M: Hmm...Sounds great. W: And it tastes delicious, too. Now we'll need five chicken legs, three eggs, butter, tomatoes, cheese, and Question: What is the woman going to do?
15.	W: Hi, Mr. Goodman. Nice to see you today. M: Good day, Mandy. W: How may I help you today? M: I'm going to make an apple pie for my daughter. I need some apples. W: We just have best apples come in this morning. How many do you need? M: I need six apples and also two lemons. What's the total? W: The apples are NT\$150, and the lemons are 50. The total is NT\$200. M: Here are 500. W: Thank you, and here is your change. Question: What does the man need for the apple pie?
