17. 請依據聽到的短文, 排出圖片出現的順序:
Tony took a trip to Hualian by train with his family last summer. During the trip, they took a big boat to watch the dolphin. He happily watched the blue sky and wide sea. After the trip, he saw a lot of trash in the sea.and the water got much dirtier than before. He was worried the fish would eat trash, get sick or even die. So he invited his friend, Bob, to save the fish in the sea. Bob and he clean the beach.together every weekend.
