Back to Nature 2017

Does it give you a headache that your kids are glued to the TV? Or is it difficult for them to put away their cellphones and live in the real world?

Why not sign your kids up to our Back to Nature 2017 camp? The 10-day summer camp will surely help them find out

more about life and themselves. On Goody Island, where there is no electricity, kids will open their eyes to the very blue skies, green farmland, and long beaches. Without TVs or cellphones, kids learn to live in and with nature. They grow, cook, make, and built with their hands, mind, and heart.

In the camp, some exciting experiences are waiting for them. They will go camping, go horseback riding.... They will even be put in a cage and go down the sea to take a good look at the underwater world.

The camp is going to make a big change in your kids' life! Don't miss the chance!

Terry : Wow, look at this car! It's much cooler than Jason's. With the car, every girl would like to have a date with you.

Alex : Yeah, they'd better do it before the car kills me.

Terry : Why? What's wrong with the car? If my uncle gives me a car like this, I will drive it around and show it to everyone.

Alex : Haha, that's funny. It's very kind of my uncle to give the car to me, but for me, the car is totally a white elephant. First, I don't need a car to go to school. Second, maintaining it will cost me an arm and a leg, and my father won't give me a hand. Third, it's difficult to find a free parking space around here and my yard is not big enough to park it.

Terry : Oh, those are all sadly true. Well, how about selling it? Your uncle now lives in another country. He won't fly back to check it.

Alex : But my father will know it.

Terry : Well, he won't help you keep the car, so I believe he will say nothing if you sell it.

Alex : Maybe. Let me think about it, but that's a pretty good idea. Thanks, Terry.

Animal Stereotypes

We always use some stereotypes features to show different animals. When talking about friendly, we may think of dogs, rabbits... We think some animals as smart, some as stupid, some as evil.....

The following is a short list of animal stereotypes :

Animals	Features
elephant	powerful
cat	smart, clean, lazy, and evil
pig	lazy and dirty
turtle	slow

You can add a lot more to the above list. Some stereotypes are based on the real lifestyles or actions of the animals. Some animal stereotypes are based on fables, superstitions, or movies. For example, rabbits became known as fast runners thanks to ~~Aesop,s~~Aesop’s Fables. According to superstitions, a black cat is thought of bad
