- 4.We are not allowed to speak in the library.
- 5.Life in the big city is quite busy. Don't you think?
- 6.Is the girl we met on the bus today a close friend of yours?

三、言談理解-根據聽到的對話內容與問題，選出正確的答案：

- 7.B: Jessie, can you tell me what Ms. Lin just wrote?

G: Sure. She just wrote down the names of the planets that go around the sun. But why?  
Can't you see the words?

B: I can, but not very clearly. I am wondering if there's something wrong with my eyes.

G: Tony, you really should see a doctor.

Q: What are the boy and the girl talking about?

- 8.M: Here we are. This is the food truck that has the best sandwiches in town. Their sandwiches are always sold out before noon. They must be super delicious.

W: But, over fifty people are lining up there. You know how much I hate waiting.

M: I don't mind waiting in line and I am not going home without a sandwich today.

W: Well. I'll be in the coffee shop behind the food truck. Give me a call when you get your sandwich.

Q: What do we know about the woman?

9. M: Thanks, Amy. The meal you prepared for us tonight was delicious. I loved every dish on the table.

W: I'm glad you enjoyed the meal. I spent almost the whole afternoon cooking.

M: Actually, I was quite surprised that you cooked all the dishes yourself! I was wondering how you learned to cook.

W: Well, the cooking programs I always watch during my free time have been very helpful.

Q: What does the woman mean?

- 10.G: Being a junior high school student in Taiwan is not easy. Most students I know here are even busier than their parents.

B: You're probably right. We go to different classes almost every day. Besides, we often stay up late to study for tests and quizzes the next day.

G: I'm wondering whether I can get used to the school life here.

B: You'll be fine. After one year, I'm sure you'll have a lot to share with your friends when you go back to America.

Q: Who is the boy talking to?
